FOR IMMEDIATE RELEASE

### **DOMESTIC VIOLENCE PROGRAM GETTING A MAKEOVER**

**Professional Organizers + Home Stagers = WOW!**

NAPO Nashville teams up with local home stagers to transform The Domestic Violence Program office and reception areas! The local chapter of IAHSP (International Association of Home Staging Professionals) will turn these drab spaces into a showplace, while Professional Organizers of NAPO Nashville declutter, repurpose and create functional work spaces for the staff at the shelter.

The Domestic Violence Program is a year round program which offers a crisis-line, emergency services and shelter to victims of domestic violence, sexual assault and elder abuse, as well as court advocacy services. Their offices in Murfreesboro desperately need a makeover, and IAHSP and NAPO Nashville are stepping up the plate to benefit the shelter and help those in need.

This Community Service Project takes place on Monday, September 15<sup>th</sup>, 2008 and donations are being accepted now. Items needed include shelving, furniture, decorative items, bins of all sizes and files, however, gift cards would be most welcome to purchase specific items needed by the Project.
